

TCCC Equipment List

- Individual First Aid Kit: Bring what you typically carry. Minimum recommended gear:
 - CAT tourniquet
 - Pressure dressing
 - Nasopharyngeal airway (NPA)
 - ACE bandage
 - Gloves
 - Shears

If you need gear, Masada has many of these items available for purchase.

- Medic pack: backpack-type carrying solution for more gear as needed
- Long pants. No shorts. Does not have to be BDU—wear what you would typically wear day-to-day
- Close-toed shoes
- Belt
- Handgun (If you don't have one, you can rent one)
- Holster for handgun
- At least one extra magazine
- Holster for extra magazine
- Hat for range day
- Ear and eye protection
- 300 rounds of factory ammunition in your handgun caliber

NOTE: If you are missing any of the medical components, e-mail silas@masadatactical.com with at least 10 days' notice to purchase.
